Registration for the second year or for subjects repeated on the official degrees of the centres belonging to the Universitat de Lleida is carried out using the [Self-registration system](#). Please consult the [continuation calendar](#) established.

To carry out self-registration you do not need to submit any documentation if you do not have to accredit any situation which is different from that of the previous year.

Please read the following information carefully:

Foreign students will have to submit the identity document or passport again if it has expired.

Documentation which accredits, if appropriate, the right to [exemption or discount](#) on the registration fees.

Foreign students aged 28 and over must submit a copy of health and accident insurance that is valid in Spain.

Students registering under the part-time format must submit an application, addressed to the dean or director of the centre, providing documentation to justify that they cannot fully devote their time to university education. If the reason is work-related, they must submit a certificate from the firm in which they work and a National Insurance contributions record issued by the Social Security Treasury or competent authority. Self-employed workers must submit a photocopy of taxes or the tax permit instead of the certificate from the firm.

Resolutions for these applications will be posted on the notice board of the UdL electronic office (<http://seuelectronica.udl.cat/etauler.php>) and the centre’s web page in accordance with the Seventh Additional Provision of Law 3/2018, of December 5, on the protection of personal data and the guarantee of digital rights.
