Large family status (category 1) and special family status (category 2 or category of honour)

Large family status and special family status with documentation issued by the autonomous community of Catalonia

It is not necessary for new students who access through the pre-registration process and continuing students to send any documentation. The secretariat of your centre will verify the authenticity of the details prior to formalisation of registration.

If you access through another route (for example transfer of dossier) you must send an e-mail to the secretariat of your centre to communicate that you wish to benefit from the application of this discount before registering. It shall not be necessary to send any documentation. The secretariat of your centre will verify the authenticity of the details prior to formalisation of registration.

What can you do if your supporting document has expired?

You must send an e-mail to the secretariat of your centre indicating that you have updated the documentation which accredits your large family status and that you wish to enjoy this discount. The secretariat of your centre will verify the authenticity of the details prior to formalisation of registration.

It is very important that the process for renewal of documents is effective **before the date of commencement of the academic year**, as established in the current regulations.

Students with the documentation which accredits the large family status and which was issued outside the autonomous community of Catalonia.

New students:

You must send the certified supporting documents by ordinary mail or submit them in person to the secretariat of the centre after making an appointment.

Continuing students:

You can send the supporting documents through the electronic office.

You must use the form “applications other matters” which you will find at this link:

<http://www.udl.cat/ca/serveis/aga/secciomatricula/sollicituds/>

Also consult the instructions for submission

In both cases if the number of siblings or children does not appear, this shall be accredited with a certificate issued by the appropriate department.

To what discount are you entitled?

The **general large family** card applies a 50% discount to the subjects and to the academic record handling fee. The support fee for learning, the compulsory insurance and contracted services must be paid in full.

The **special large family** card gives the right to free subjects and a free academic record handling fee. The support fee for learning, the compulsory insurance and contracted services must be paid in full.

Important: in order to benefit from this discount, you must have the status at the beginning of the academic year.

Grantholder student

Students receiving a general grant convened by the Ministry of Education are not obliged to pay the academic services contracted.

This payment exception also applies to students pending the decision on the awarding of the grant at the time of registration, provided that:

- They were a grantholder in the previous academic year and the requirements of the corresponding announcement are met.
- They have requested the proof provided by the AGAUR and the result is that the financial requirements are met and moreover the academic requirements as set out in the corresponding announcement are met.

New students

If you did not have a grant during the previous year you must request the [financial accreditation](#) which will be issued by the AGAUR before registering.

If you received a grant from the Ministry during the academic year 2019-20 in Catalonia, you may apply the discount directly to the registration. If you received a grant from the Ministry during the academic year 2019-20 from another autonomous community, you will have to accredit this by submitting the Ministry grantholder credential.

You must send the supporting documents by ordinary mail or submit them in person to the secretariat of the centre after making an appointment.

Students from other years:

-If you benefited from a general grant from the Ministry of Education during the previous academic year, you need not submit any document.

-If you did not have this grant during the previous year, you must request the [financial accreditation](#) which will be issued by the AGAUR before registering.

If you received a grant from the Ministry during the academic year 2019-20 in Catalonia, you may apply the discount directly to the registration. If you received a grant from the Ministry during the academic year 2019-20 from another autonomous community, you will have to accredit this by submitting the Ministry grantholder credential.

You must send the supporting documents by ordinary mail or submit them in person to the secretariat of the centre after making an appointment.

You must bear in mind that:

You should not confuse the financial accreditation by the AGAUR or conditional grantholder registration with the grant application. They are different procedures.

Remember that even if you register as a **conditional grantholder**, you must **specifically apply for the general grant and/or the equity grant**. See the [section on grants](#) on this website.

Note that the **deadline for obtaining accreditation** is about **10 days** and hence it is recommended to apply as soon as the call is opened. Please note that **the application for financial accreditation is not a grant application**, and **obtaining accreditation of fulfilment of the financial requirements does not guarantee that you will obtain the status of grantholder from the Ministry. You must also apply for the general grant** for university students. You will find all the information in the section on grants of this website.

To what discount are you entitled?

The deduction only affects subjects on which you register for the **first time**; therefore, the academic record handling fee, the support fee for learning, the compulsory insurance and contracted services must be paid in full.

Students with a distinction

Supporting documents:

Students from other years who obtained credits with a distinction at the UdL in the immediately previous academic year do not have to submit any document.

To what discount are you entitled?

Students who obtained credits with distinctions at the UdL in the immediately previous academic year will be entitled to exemption from payment of the registration fee of the same degree for a number of credits equivalent to those they have obtained with this academic qualification.

The discount will likewise apply to the double master's degree when the distinction was obtained on one of the master's degrees which form part of it, provided that it has not ended. The same criterion shall be applied in the event of abandoning the double master's degree for one of the two which form part of it, provided that the subject with a distinction is recognised on the new master's degree.

If the credits with a distinction are the last of the bachelor's degree or of a degree from the old plan the exemption shall apply to the master's degree in accordance with the following equivalence: if the course type is annual, 2 credits will be discounted from the master's degree, and if the course type is four-monthly, 1 credit will be deducted.

Beneficiaries of the minimum vital income benefit

Beneficiaries of the minimum vital income who have this condition recognized between the months of June and December 2020 and who have been denied the grant of a general scholarship from the General State Administration to pursue post-compulsory studies in the 2020-2021 academic year, for having exceeded the income and equity thresholds established in the corresponding regulations, will be exempt from paying the prices established by the Price Decree.

How to proceed in these cases:

1. If you were granted a MEFP scholarship the previous year, apply for a conditional scholarship and apply for the scholarship for the 2020-2021 academic year.

Once you have the final resolution of the MEFP scholarship, if it is denied for having exceeded the income and equity thresholds, you will need to submit the resolution of the minimum vital income in order to be granted the exemption.

2. If you did not have a MEFP scholarship the previous year, you must submit the following documents:
 - Minimum vital income resolution.
 - Document proving that the MEFP scholarship has been applied for.
 - AGAUR financial accreditation. If the accreditation is favourable, make the conditional scholarship registration as indicated in section 1, and if it is unfavourable, present the accreditation together with the other documents indicated in this section.

In both cases, it is necessary to meet the academic requirements determined by the call for scholarships.

This documentation must be submitted by e-mail to the Pre-Registration and Scholarships Section at: gestioacademica.beques@udl.cat you can also contact by phone 973 70 31 54 or 973 70 20 46.
