

REGISTRATION FEE PAYMENT FOR MASTER'S DEGREES

MEANS OF PAYMENT

The University shall collect the registration fee by charging the bank account chosen by the student. When registering, students must select one of the following means of payment.

1. Single direct debit payment

The University shall charge the amount from the 10th day after registration.

2. Direct debit payment in three instalments.

The registration fee shall be charged in three instalments:

- a) The first instalment shall be charged from the 10th day after registration. As a guide for registrations in July, the charge shall be made between **9 and 16 August 2021**, and for registrations in September, the charge shall be made between **20 and 30 September 2021**. The amount corresponding to 40% of the registered credits, plus non-teaching administrative fees, will be collected.
- b) The second instalment shall be charged on **15 November 2021**. The amount corresponding to 30% of the registered credits will be collected.
- c) The third instalment shall be charged on **28 December 2021**. The amount corresponding to the remaining 30% of the registered credits will be collected.

3. Loan from the Generalitat:

Registration can be paid in more instalments. You can consult detailed information here: <https://agaur.gencat.cat/es/detalls/article/PROGRAMA-FINAN-Prestec-AGAUR>

4. Payment of bills in cash

Should you have to pay a registration bill in cash, you can do so following the instructions of this [link](#).

5. Payment by PayPal:

This means of payment can only be used by students living in countries which are not part of the European Union and without a bank account number adapted to the SEPA rules.

To arrange direct debit payments, students must give the bank account details in the respective section of the registration.

You must submit to the Secretariat of the centre, within a period of 10 days from registration, a direct debit mandate (SEPA) signed by the account holder authorising the charge.

You can send this documentation preferably through the [online office](#). You must use the form for submission of documentation you will find there (choose your profile on student: foreign, UdL student). Web site only in Catalan and Spanish. You can send it by post to center address; in person, requesting for an appointment; or by e-mail if it has not been possible to use any of the other ways .

The registration bill, whether issued in person or using the self-registration system, shall serve for notification purposes.

Registration fees that, for whatever reason, have to be paid outside payment in instalments and after the third instalment set out in point 2, must be paid in cash at any of the banks indicated on the bill.

Bank account details for direct debit payment can be amended by using form M2, which must be submitted to the secretariat of the centre at least fifteen days before the second or third payment deadline. The application must be accompanied by a new SEPA direct debit mandate signed by the account holder.

PROCEDURE AND EFFECTS OF NON-PAYMENT OF THE REGISTRATION FEE

If the University cannot collect the full or partial amount of the registration fee through the account number provided by the student or through any other method of payment, it shall reissue the bill a second time for cash payment, adding the following percentages to the total or partial amount of the registration fees:

- From the due date and up to three months, a 5% surcharge.
- From three months up to six months, a 10% surcharge.
- From six months, a 15% surcharge.

The amount of these surcharges must be paid regardless of whether a scholarship or grant is obtained after notification.

The University will notify students of the outstanding amount and will send them a payment document that will include the initial 5% surcharge, which will be valid for three months.

Students must pay the outstanding amount before the bill due date, which shall be sent together with the notification.

The notification will be issued electronically via the electronic office of the Universitat de Lleida. The notification will be sent to the student's mobile phone and to the institutional e-mail address (.....@alumnes.udl.cat) that the student was given when registering for the first year.

Once the three-month period has elapsed, any student who has not made the payment must request a new payment document from the secretariat of the centre, which will include the corresponding surcharge, depending on the period that has elapsed.

As soon as the University issues a non-payment notification to a student, their registration will be suspended until the corresponding amount is paid.

As a result of this suspension, the student will not be able to make any change to registration, obtain academic certificates, transfer the file, request the qualification certificate or make any new registration, on the same degree or on any other.

These financial regulations governing registration will apply provided nothing is specified to the contrary in the decree on public prices of the Generalitat (Government) of Catalonia or in other legal regulations.
