

University of Lleida

UdL the best university for
teaching quality

(Report of the Fundación
Conocimiento y
Desarrollo 2008)

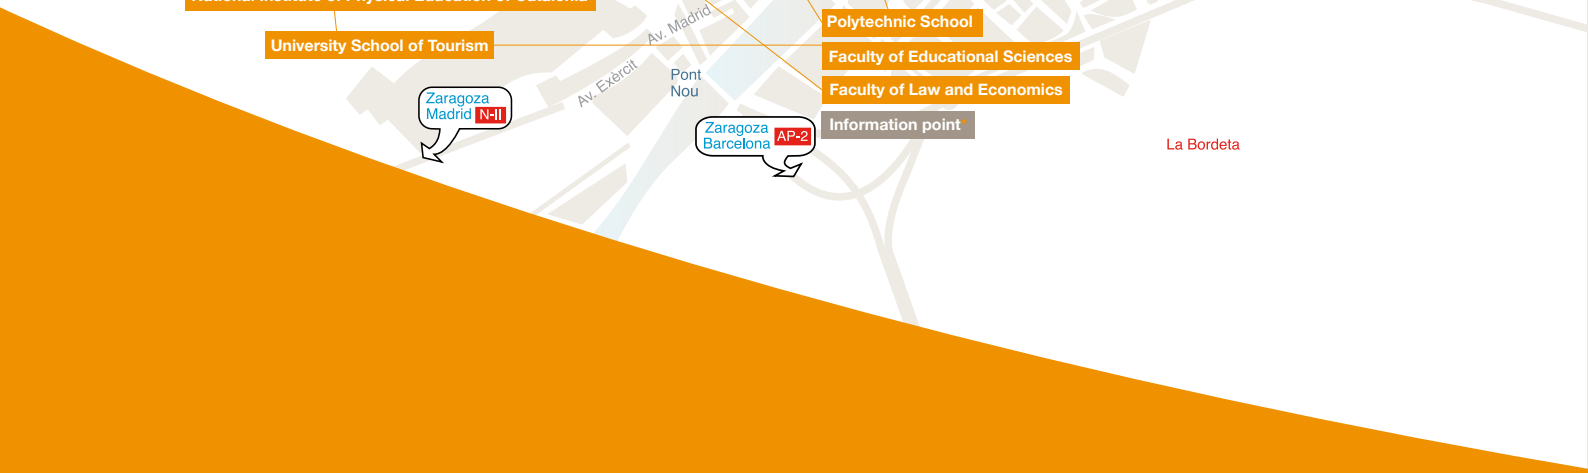

Universitat
de Lleida

1 hour from
Barcelona, 2 from
Madrid, 2 hours from the
Pyrenees Mountains and
1 hour from the sea.

Climate

Mediterranean with a strong continental influence. Cold winters and hot summers.

The Udl

Reasons to come and study at the University of Lleida

- Lleida, the oldest university in Catalonia, founded in 1297.
- A University tailored to the needs of people as individuals.
- Possibility of grants and aids.
- Official masters and degrees at state-system prices.
- A city with an affordable standard of living. Wide offer of lodging: rooms to rent from 120 Euros, free lodging programmes, etc.
- New, modern, well-equipped and high-quality installations.
- Our official qualifications open the doors to European higher education.

Sustainable Sport and Wellness

European Construction: Legal and Economical

Access to the profession of Lawyer and Solicitor
Accountancy, Auditing and Management
Criminal Justice System

Enrolment

1. Official Spanish University Degrees (licenciaturas, ingenierías, arquitecturas, diplomaturas, ingenierías técnicas, arquitecturas técnicas).
2. Recognized Foreign Degrees.
3. Non-recognized degrees but with an education level equivalent to that of the Spanish degree, and only if the country giving the degree authorizes access to postgraduate studies.

2. Recognized Foreign Degrees.

Management of access is handled by the corresponding Ministry (www.mepsyd.es/mecd/titulos/convalidacion.html) or by the University, depending on the degree.

The person concerned must present a document issued by the university where the degree was obtained, or by the competent authority of that country, accrediting that this degree permits access to postgraduate studies.

Management is the responsibility of the University of Lleida. The coordinator of Master's degree courses and the organ in charge of the official postgraduate programme must verify these requirements before admitting students with non-recognized degrees.
