

INSTRUCTIONS FOR THE USE OF CFX96 REAL-TIME SYSTEM AS AUTHORIZED USER

Every time you want to use the CFX96 real-time system:

1. Make the booking of the CFX96 online following the CFX96.3_BOOKING INSTRUCTIONS.
2. Send the filled-in CFX96.4_APPLICATION FORM to protgenom@sct.udl.cat.

Installation instructions for the CFX Manager software:

1. Request the service the CD of the original version of the CFX Manager software and install it on your computer.
2. From the next link, download the last update to the current version:

<https://www.dropbox.com/s/ixz0zlcqwn1fj/Bio-Rad%20CFX%203.1.7z>

3. You will receive by e-mail the data file and a results report. Open the data file with the CFX Manager Software to access/analyze all the run data.
