Visiting staff

The University of Lleida (UdL) welcomes professors, researchers and administrative staff from other institutions who visit us within the framework of any mobility program or are invited by a member of our institution.

The UdL provides foreign visitors access to the university services through the Visiting Staff program.

Moreover, the UdL is part of the EURAXESS network [http://ec.europa.eu/euraxess/], the European platform to support mobility and host researchers that claims to remove obstacles that involve their mobility and enhance the attraction of talent.

In Catalonia, the Agència de Gestió d'Ajuts Universitaris i de Recerca (AGAUR) [http://agaur.gencat.cat/en/inici/index.html] coordinates the local points of support to mobility. The UdL acts as a local point.

For further practical and useful information to arrange your stay, please visit the website for Incoming Researchers [https://www.recercaitransferencia.udl.cat/ca/convocatories/informacio-dinteres] and Euraxess Catalonia [http://www.euraxess.cat].
