## Visiting staff

The University of Lleida (UdL) welcomes professors, researchers and administrative staff from other institutions who visit us within the framework of any mobility program or are invited by a member of our institution.

The UdL provides foreign visitors access to the university services through the Visiting Staff program.

Moreover, the UdL is part of the [EURAXESS network](http://ec.europa.eu/euraxess/) [ <http://ec.europa.eu/euraxess/> ], the European platform to support mobility and host researchers that claims to remove obstacles that involve their mobility and enhance the attraction of talent.

In Catalonia, the [Agència de Gestió d'Ajuts Universitaris i de Recerca \(AGAUR\)](http://agaur.gencat.cat/en/inici/index.html) [ <http://agaur.gencat.cat/en/inici/index.html> ] coordinates the local points of support to mobility. The UdL acts as a local point.
