

Vulcanus in Japan

The trainee programme VULCANUS IN JAPAN offers industrial placements in companies in Japan to EU and COSME university students of engineering, high-tech or other scientific fields, enrolled -when applying- in between the 4th official year of studies and the penultimate year of PhD.

The programme lasts one year, from September 2021 to August 2022. Applications must be submitted online, **between 10 January and 10 February 2021.**

You will find more information in the documents listed below.
