NEGATIVE TEST CERTIFICATE REQUIREMENT (COVID-19)

From November 23rd, 2020, **all passengers** who come from a high-risk country/area in relation to SARS-CoV-2 coronavirus, must present, in order to enter Spain, a certificate with a **NEGATIVE** PCR result (COVID-19 RT-PCR), carried out in the 72 hours before arrival.

List of countries and areas and further information about conditions of requirement of an Active Infection Diagnostic Test for SARS-CoV-2 with a negative result for passengers is available at the Spanish Department of Health.
