

La UdL celebra Sant Jordi tot recordant l'Ovidi Montllor

A photograph of a large audience seated in a hall, facing a stage. On the stage, a large projection screen displays text in Catalan: "Sant Jordi i la fira ferotge", "Institut de L'Imatge del UdL", and "22 d'abril del 2015". Below the text is a red silhouette of a knight on horseback slaying a dragon. The audience is diverse in age, and the hall has a modern, minimalist design with wooden paneling and large windows.

Jo sóc fill de família molt humil, tan humil que d'una cortina vella una samarreta en feren. Vermella. D'ençà, per aquesta samarreta, no he pogut caminar ja per la dreta.
